Modern Türk karikatürünün en usta sanatçılardan biri olan Ferruh Dođan, 1932'de İstanbul'da doğmuştur. Karikatürleri ilk olarak 1945'te yayınlanmış, çeşitli gazete ve dergilerde çizdiği karikatürlerle kısa zamanda sadece Türkiye'de değil, yurt dışında da ün yapmıştır. Karikatürlerinde yurt gerçeklerini ve dünya sorunlarını büyük cesaretle ve ustalıkla dile getiren Ferruh Dođan bu yüzden sık sık iktidarların hissinde uğramıştır. 1956'da yayınladığı "Asrileşen Köy" karikatür albümü bu yüzden toplatılmıştır. Halen ANT Dergisi'nde çizmekte olan sanatçı, şimdiye kadar yaptığı çalışmalarından seçmeleri "Çizgili Dünya" albümünde toplamıştır.
